

# MASTER PLAN UPDATE

## PURPOSE AND OBJECTIVE

### WHAT IS A MASTER PLAN?

- THE MASTER PLAN GUIDES THE DEVELOPMENT AND MANAGEMENT OF RECREATION-RELATED ACTIVITIES, ENVIRONMENTAL STEWARDSHIP, AND CULTURAL RESOURCES.
- THE MASTER PLAN DEALS STRICTLY WITH HOW THE LAND IS USED AND WHAT ACTIVITIES MAY TAKE PLACE ON THOSE LANDS.
- IT DOES NOT COVER RESERVOIR WATER LEVELS AND SHOULD NOT BE CONFUSED WITH THE RESERVOIR REGULATIONS MANUAL.

### WHAT IS THE PROCESS?

THERE ARE 3 PHASES TO THE UPDATE.

- PHASE 1: THE INFORMATION GATHERING PHASE.
- PHASE 2: CREATE THE DRAFT MASTER PLAN UPDATE AND MAKE IT AVAILABLE FOR PUBLIC COMMENT.
- PHASE 3: FINAL MASTER PLAN.

### HOW CAN YOU HELP?

YOUR COMMENTS AND INPUT WILL HELP SHAPE WHAT PINE FLAT LAKE LOOKS LIKE IN THE FUTURE BY:

- IDENTIFYING RECREATIONAL NEEDS
- IDENTIFYING POTENTIAL IMPROVEMENTS TO EXISTING RECREATIONAL FACILITIES
- DETERMINING ENVIRONMENTAL EFFECTS THAT WILL BE ANALYZED DURING THE UPDATE PROCESS.

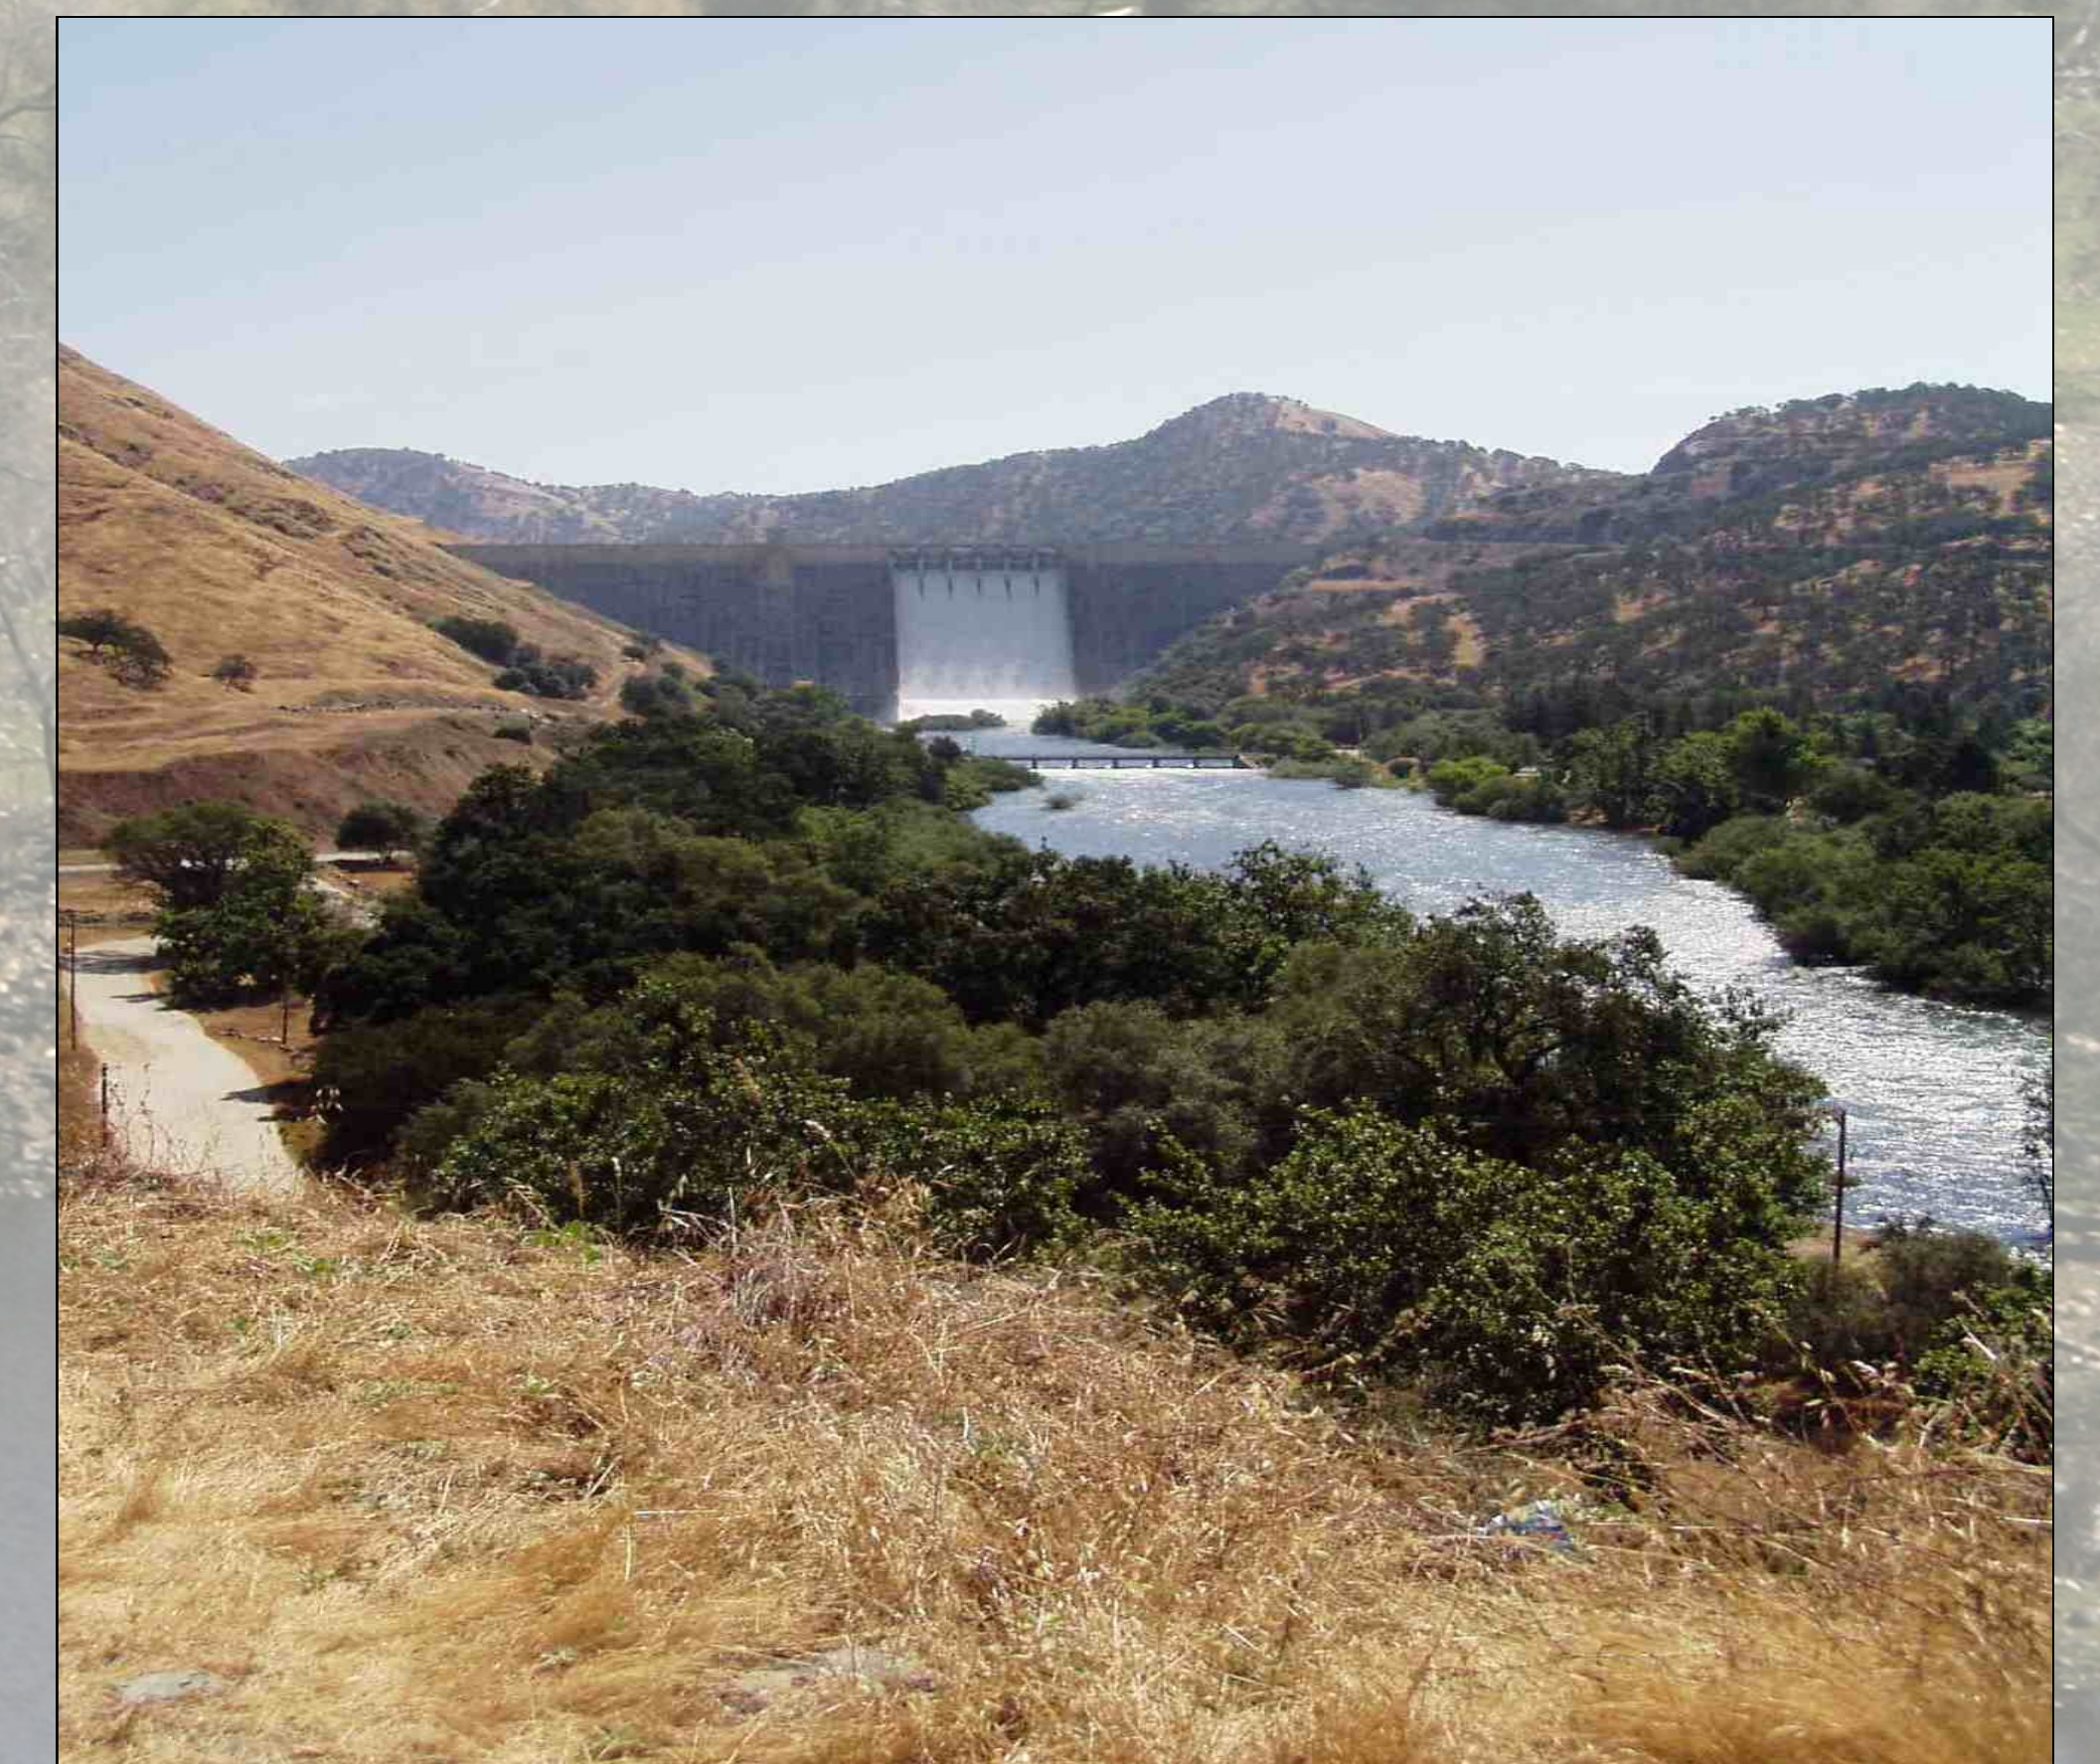

## PLEASE PROVIDE INPUT

WRITTEN COMMENTS CAN BE SUBMITTED DURING THIS MEETING OR MAILED TO:

ROBERT KIDD  
U.S. ARMY CORPS OF ENGINEERS  
SACRAMENTO DISTRICT  
1325 J STREET, ROOM 1513  
SACRAMENTO, CA 95814
